Willing to relocate: Anywhere

Work Experience

Software Developer (Web)

Edumatica-Unknown, Karnataka

Full-time

2 months notice period

December 2023 to Present

Developed and maintained dynamic web applications using HTML, CSS, JavaScript, React.js, Node.js, MongoDB, and Typescript. Collaborated with cross-functional teams to design, develop, and deploy new features. Optimized website performance and enhanced user experience through responsive design and efficient coding practices. Implemented CRUD operations and API integrations to manage data and improve functionality. Utilized Git and GitHub for version control and project management.
